

U300

2.5Litre Ultrasonic Bath

Ultrawave's **U**-Series is compact and user friendly, offering effective cleaning and processing of small items in both professional and domestic applications.

These include healthcare, podiatry, tattooists, jewellers and many more.

Available in heated and unheated versions, the **U-Series** allows simple control of time (0 to 15 minutes) and temperature (ambient to 70°C) where heated options are selected.

The **U300** is a 2.5Litre ultrasonic bath with a timer control of up to 15 minutes.

Each **U-Series** is supplied complete with a stainless steel basket and ABS plastic lid, useable as a drip tray to collect excess water when the basket is removed from the tank.

The **U300** provides the cost benefits of excellent entry level ultrasonics with Ultrawave's long renowned quality and reliability.
